Forfeit U/F Dealer Discount/Rebate (Pay-Off)

This field determines if the amount of the dealer discount or dealer rebate will be recovered when a loan is paid off prior to maturity.

Entries are defaulted from the dealer parameters but can be changed at the loan level. Valid entries in this field are `Discount` or `Rebate`. It is possible to select `None` in this field, but an entry of `None` will cause the Rebate to be recovered from the dealer when the loan is paid off regardless of any entries in the **No. of Days to Forfeit Disc/Reb** or **No. of Pmts to Forfeit Disc/Reb** fields.

- `None` - The dealer rebate will be recovered from the dealer's account as defined in the dealer code maintenance.
- `Discount` - The amount of the dealer discount will be recovered from the dealer's account as defined in the dealer code maintenance if the number of early payoff days and/or payments is satisfied.
- `Rebate` - The amount of the dealer rebate will be recovered from the dealer's account as defined in the dealer code maintenance if the number of early payoff days and/or payments is satisfied.
